Rental Policies

Just a reminder from the Trustees that all church building usage must go through the office for scheduling purposes and to ensure there is no conflict. Events that are booked by a member for an outside organization will be billed at the regular rental rate and require the official rental forms to be filled out. *For Board Meetings, Bible Studies, and other church groups – please designate a specific person to be responsible for securing the building (lights and doors) upon departure.* If another group is on-site in the evening, please lock the doors anyway, as most participants will be on-site before your group is done. This will help ensure the safety and security of our building and its inhabitants.

A Note from friends …

Nancy and Tom Harvey worshipped with us on Sunday and share this: *"The choir of 22 blessed us as did Sons of Thunder with songs of praise, you piqued our interest in apples and cheese, we greeted the congregation as they moved about the sanctuary, and we were enriched by the message and explanation of the Supper painting. Thank you for allowing us to share this Sunday morning, despite the lack of plaid shirt! We are well and have hopes of journeying that way come late spring or early summer of '27. 'Blest be the tie …'" – Tom & Nancy*

CALL TO WORSHIP

One: We gather in the presence of God
and in the company of the saints.

Many: We are surrounded by a great cloud of witnesses.

One: We remember those who prophesied,
those who spoke out,
those who made their witness for God.

Many: We remember those who gave their lives
so every voice might be heard.

One: We give thanks for neighbours and colleagues
who make their witness for God and the good of all.

Many: We come with gratitude for courage
and with hope for the days ahead.

ALL: **Let us run with perseverance the race**
that is set before us,
looking to God, who is ever faithful
